Staff Comments

Thanks for reading this chapter. Originally, the one-shot below was planned for release after the 'Canary of the Four Seasons' one-shot, but I figured many of you were probably suffering from a lack of Kana-san's 'eyefiness.' Thus, I decided to release this chapter before the one-shot. Also, I have some good news. I'm going to be picking up a new series. Although, it won't be an 'Oyaji' manga, it will written by the same author as 'Nico!'
